

Event Toilets

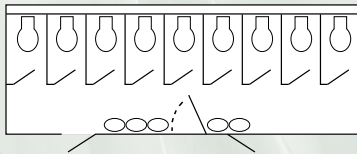

Exceptionally high-class self-contained toilet trailers designed for the throughput of sizeable numbers of people at large events.

- Nine Bay toilet trailers – 9 toilet cubicles and hand basins. Can be split into 5 ladies' toilet cubicles, 4 gentlemen's toilet cubicles. This trailer can be made into an all ladies' to go alongside an All Gent's trailer or alternatively can be used as a unisex trailer.
- Easy access/baby change toilet trailers containing one toilet cubicle, one sink and a baby change facility. This trailer is accessed by a long ramp which promotes ease of use for wheelchair users and those with disabilities.

Features: Exterior - British Racing Green in colour. Interior - hot water, mirrors, extra wide doorways & steps.

Attendant & pump vehicle present during high throughput events to clean, restock consumables and empty as required. Generators and water holding tanks can be supplied if no power or water is available on site.

Event specific quotes welcomed, a site visit can also be arranged.
