

Freestanding Cubicles

Maxim 3000

Width: 44" Depth 48" Height: 90"

British Racing Green self-contained flushing chemical toilets with hand washing facilities. Perfect for events with both large and small numbers of guests.

Features: hand washing facilities, mirrors, soap dispensers, translucent roof to utilise natural light availability.

High-Tech II

Width: 52.5" Depth 48" Height: 91"

Beige coloured luxury environmentally friendly toilets with freshwater flush and freshwater hand washing facilities. Ideally suited to events where there is not enough space for a luxury toilet trailer. Ultimately the best option of freestanding toilet cubicles.

Features: freshwater flush – no chemicals, freshwater hand wash, mirrors, soap dispensers, hand towels, solar powered light.

Easy Access Freestanding Cubicles

Width: 62" Depth 62" Height: 91"

These are completely independent and do not require a water or power supply. These large toilets are available with a drop down baby changing unit.

Features: British Racing Green in colour with wide access doors, antiseptic hand cleaners, baby changing facility, internal handrails and no awkward ramps. Consumables are complimentary including toilet paper, hand towels and liquid soap.

These cubicles are dedicated to event work only. They are maintained to the same standard as our luxury toilet trailers.
